PROFESSIONAL EXPERIENCE

Vimana Capital Management — **Mumbai, India**
Equity Research, Summer Analyst — *June 2026-August 2026*
- Built DCF models across consumer and industrial companies to assess financial performance and value.
- Analyzed financial statements to understand revenue growth, margins, profitability, and cash generation.
- Screened 500+ Indian public companies using growth, profitability, leverage, and market-based metrics.
- Presented weekly stock analyses with my team, assessing company performance, risks, and investment potential.

PLURAL — **Mumbai, India**
Research Intern — *May 2025-June 2025*
- Conducted primary research on housing conditions and resettlement outcomes across rehabilitated slums.
- Synthesized secondary research to identify recurring implementation and infrastructure challenges.
- Evaluated Mumbai's Rental Housing Scheme using public data, government reports, and policy documents.
- Assessed economic incentives and structural limitations affecting the scheme's implementation.

Laidlaw Scholars Programme, **Barnard College** — **New York, NY**
Research Scholar — *May 2026-Present*
- Selected for a fully funded global research and leadership program comprising 2,500+ scholars.
- Designed surveys to study behavioral biases and trading decisions among young retail F&O investors in India.
- Conducted investor interviews and literature reviews to evaluate changes in trading behavior.
- Performed statistical analysis in Excel on survey and experimental data to test behavioral-finance hypotheses.

EXTRACURRICULARS & LEADERSHIP EXPERIENCE

Columbia Emerging Markets Review, **Columbia University** — **New York, NY**
Writer — *September 2025-Present*
- Research emerging-market financial infrastructure and industrial development for investment-focused articles.
- Analyze economic data, policy developments, and industry research to gain insights into emerging markets.
- Examined India's UPI to assess implications for financial inclusion and payments infrastructure
- Evaluated Indonesia's nickel export ban to assess impacts on downstream investment and industrial capacity.

Writing Center, **Barnard College** — **New York, NY**
Writing Fellow — *August 2026-Present*
- Provide one-on-one consultations on analytical and research-based writing.
- Advise students on research synthesis, argument development, data-driven analysis, clarity, and revision.

T.E.A.M (Together Everyone Achieves More) — **Pune, India**
Finance Head — *March 2023-August 2023*
- Led disaster-relief and community projects across 8 initiatives impacting 33,000+ people.
- Managed a $14,000 budget for a water-conservation project.
- Built 7 groundwater-recharge trenches and 2 RO plants.

Kalam — **Jaipur, India**
Co-Founder — *August 2023-August 2025*
- Founded a free publishing platform for aspiring writers, creating opportunities for 30+ authors to publish their work.
- Led 50+ writing workshops to help young writers develop and communicate their ideas.
